Spring Term 2025 newsletter

A very warm welcome back to the Spring term at Boundstone.

Welcome back to all our returning families; I hope that you all had a fantastic Christmas break, I have been hearing all about it from the children.

Welcome to all our new families too! I hope that your children are settling into their new routines and enjoying their first few days with us. Please take the time to talk to your child's Keycarer to ensure that you feel supported as well.

We very much look forward to working in partnership with you and your family over the next term.

Vikki Cripps - Headteacher.

Appropriate weather

When considering your child's outfit for their session in Daycare and Nursery please ensure that their clothing is suitable for the weather that day, labelled and that they will be comfortable. We really encourage our children to enjoy all experiences on offer and from time to time this may mean they will get messy or dirty.

Please provide a small bag with labelled spare clothes for every session. Your child's bag is kept on a peg at child height, so please be mindful of what could be accessed by another child. No medicines/creams/hand gels or foods to be kept in your child's bag please.

If your child is unwell.

Thank you to all our families for your continued support, please remember to keep your child at home when they present as unwell.

If you are unsure regarding our medicines/sickness policy, please call the room and speak with a member of staff.

Lunch caterers

We are excited to announce that we have Little Tums, catering our hot lunches. The food is so tasty and freshly cooked on the day and then delivered to us before our lunch time.

Menus and costs can be found at reception if this is something that interests you.

Nursery News

A very warm welcome to all our families, new and old! Many thanks to all of you who have hosted our Keycarers on their home visits. These are invaluable for us to gain insight into our children's lives and to aid the transition to Nursery.

Current Interests

The children started the term full of tales of their exciting Christmas holidays! They were soon busy around the Nursery, enjoying some new experiences and resources...

We are enjoying exploring natural resources and counting them carefully onto numbered plates.

Thank you also to Frank at Men in Sheds for donating these amazing birdbox kits. We are very busy building them, using our woodwork tools.

Thank you to Monroe's family, who donated a magnificent, role play grocer's shop. We are loving being shopkeepers and customers!

Behaviour support

Are you wanting some ideas on how to manage behaviour? Please join us for a coffee and cake on January 30th 9-11am. We are very lucky to have Lucy and Anna from the Learning behaviour support team who are here to help you with any questions or positive behaviour tips.

Gentle Reminders

Could we please remind parents to label their children's clothes, as this really helps us to locate items which go astray.

Could every child please bring a named pair of wellies and a set of waterproofs to keep at Nursery.

When collecting children early, could you please avoid the last half hour of each session, as this time is spent tidying and delivering Group Times. We do not have the staff to take children to the door at these times and don't want to interrupt their learning.

Thanks for your understanding.
